- **Price:** ₹600 per square foot

Installation Process

Installation of the listed products involves precise measurement, secure attachment, and functional testing. For Invisible Grills, Motorized Zip Screens, and Honeycomb Screens for Balcony, mounting and testing are essential. Pleated Screens, Sliding Security Screens, and Honeycomb Blinds require careful attachment and adjustment. Zip Screens for Patio installation focuses on accurate mounting and tension adjustment for optimal functionality. Each installation ensures proper alignment and functionality for customer satisfaction.
